Subject: PH (UNCLASSIFIED)

Classification: UNCLASSIFIED

Caveats: NONE

Good news and bad news.

I always prefer to hear bad news first. Apparently there was a power failure at CHL yesterday afternoon, and I guess it lasted longer than the UPSs. So all of the models I had running died. The good news is that the PH model had run for 22 years, which is further than ever before. I will look at the results this weekend.
